Dear Croatians and Friends of Croatia,

We're very pleased to announce the formation of the Association of Croatian American Professionals. We are an association of professionals in the United States, and around the world, interested in building a lifetime of professional connections to support the business, networking, and social activities of our members.

### Who we are

Our members represent all facets of the international professional community, such as scientists, doctors, engineers, attorneys, journalists, artists, business executives, accountants, etc. We also welcome professionals of non-Croatian heritage who are active in the Croatian community.

### Our mission

- Foster knowledge-sharing and networking among Croatian–American professionals and Croatian professionals around the world for mutual success;
- Promote the advancement of Croatian–American professionals and Croatian professionals around the world;
- Encourage Croatian–American business and trade;
- Foster camaraderie amongst our members; and
- Work with other Croatian–American organizations and Croatian organizations around the world on matters of common concern.

Our Values: leadership, cooperation, and integrity.

### Member Benefits

- A detailed profile on our online member directory
